

Atomic Energy Regulatory Board (AERB) received prestigious SKOCH Smart Governance Award, 2015 and SKOCH Order of Merit Award, 2015 for e-LORA

The Atomic Energy Regulatory Board (AERB) has recently launched the e-Licensing of Radiation Applications (e-LORA), a web-based integrated licensing and tracking system for regulating all types of radiation facilities in the country. This e-governance initiative of AERB is conferred with prestigious SKOCH Smart Governance Award, 2015 and SKOCH Order of Merit Award, 2015 in 41st SKOCH Summit held at India Habitat Centre, New Delhi on 22-23rd September, 2015.

SKOCH Smart Governance Award is the highest independent honour in India for recognising top performing government organisations and organisations working with the government.
