

Virtual meeting with French Nuclear Safety Authority

Atomic Energy Regulatory Board (AERB) has a bilateral co-operation arrangement with ASN, the Nuclear Safety Authority of France. A virtual meeting between AERB and ASN was held on January 13, 2023 to discuss on strengthening of bilateral relations. The ASN and AERB delegation was led by ASN commissioner, Mr. Jean Luc Lachaume and Executive Director, AERB, Mr. S B Chafle respectively.

The discussion was fruitful and both agreed to discuss mutual interest areas further.
