

AERB celebrated International Women's day on March 9, 2020

International Women's day was celebrated by the women of AERB in Niyamak Bhavan-A Auditorium on March 9, 2020.

We in AERB believe -

“Women's Day gives a chance to celebrate women progress & recommit to creating an even brighter future for women”.

Shri G. Nageswara Rao, Chairman, AERB and Shri D. K. Shukla, Executive Director, AERB shared their views on the occasion. A special Talk on 'Early detection and prevention of Cancer', and 'Awareness about Pain & Palliative medicine' was delivered by Dr. Aswathy Pillai, Coordinator, Public Health awareness program, MERIT-FAP, TISS Mumbai. The talk was followed by inspirational video programs and cultural activities.
