

Chairman AERB to inaugurate exhibition on Nuclear Reactor Technology on May 11, 2019

The banner features a blue background with a large gear on the right. On the left, there is a circular logo for National Technology Day 2019 with a yellow and red design. On the right, there is a circular logo for BARC with a blue and white design. The text is in Hindi and English. The main title is 'राष्ट्रीय प्रौद्योगिकी दिवस' and 'National Technology Day'. Below it is 'नाभिकीय रिएक्टर प्रौद्योगिकी Nuclear Reactor Technology'. The dates are '11th & 12th May, 2019' and the location is 'at DAE Convention Centre, Anushaktinagar'. The time is 'Time: 11am to 8 pm'. Below the main text, there is a list of activities: 'Fascinating Exhibits', 'Interesting Posters', 'Robotics Demonstrations', 'Interactive Quizzes', and 'Infotainment Skit'. At the bottom, there is a call to action: 'Come join us in this extravaganza showcasing India's prowess in Nuclear Technology, its role in empowering the nation and the societal benefits thereby gained.' There are also several small images of nuclear reactors and technology.

नाभिकीय रिएक्टर प्रौद्योगिकी Nuclear Reactor Technology
11th & 12th May, 2019
at DAE Convention Centre, Anushaktinagar
Time: 11am to 8 pm

BARC invites all DAE employees and their families to celebrate NTD-2019

Fascinating Exhibits ★ Interesting Posters
Robotics Demonstrations ★ Interactive Quizzes ★ Infotainment Skit

Come join us in this extravaganza showcasing India's prowess in Nuclear Technology, its role in empowering the nation and the societal benefits thereby gained.

National Technology Day is celebrated on May 11 every year to commemorate the significant technological milestones achieved by India to honour the architects of these innovations. This year on this occasion, Department of Atomic Energy is organising exhibition on 'Nuclear Reactor Technology' during May 11-12, 2019 at DAE Convention Centre, Anushaktinagar, Mumbai. The exhibition will be inaugurated by Shri Guntur Nageswara Rao, Chairman AERB on May 11, 2019 at 10.00 hrs. AERB is also participating in the exhibition to provide an overview of regulation on nuclear and radiation safety in the country.
